

Out of Range Temperature Response Form

Storage & Handling

Did your site's vaccine storage unit fall out of the acceptable temperature range? If so, please fill out this **Out of Range Temperature Response Form**. Follow the steps below to document the temperature range the vaccines experienced, determine if the vaccines can still be used, and report your finding.

You must complete this form within 48 hours of the out of range incident. Please email a completed digital copy of this form to TempCheck@phila.gov AND fax a copy to 215-238-6948.

1. Your Practice's Information

Clinic Name	Site PIN #	Vaccine Coordinator Name	Phone Number
-------------	------------	--------------------------	--------------

2. The Incident

Date	Unit Type Refrigerator Freezer	Unit Location (if you have more than one)
Cause of incident Power Outage Mechanical Failure (Unit Failure) Unexplained Other: _____		

3. Temperature Excursion

Duration: How long was the unit's temperature outside the acceptable range?

Hours	Minutes
-------	---------

Temperature Range: What was the highest or lowest temperature, outside the acceptable range? (*in either Celsius or Fahrenheit*)

Celsius	Fahrenheit
---------	------------
